IGNACIO GONZÁLEZ MARTÍNEZ
EDITOR-IN-CHIEF
JOURNAL OF THE MEXICAN CHEMICAL SOCIETY

I would like to submit the attached manuscript under the title:

“Chiral separation of benzodiazepines by capillary electrophoresis
using highly sulfated cyclodextrins”

to the *Journal of the Mexican Chemical Society*. I have been officially invited by Dr. Katarzyna Wrobel, Guest Editor of the Special Issue titled: “Modern analytical chemistry in interdisciplinary research”

I certify that that the manuscript is an original work and it has not been submitted to another journal or published elsewhere. All authors have seen the manuscript and agree with its submission and review before its publication.

Sincerely yours,

DR. MARÍA GABRIELA VARGAS MARTÍNEZ
